CHURCH DIRECTORY

It is time again to update our church directory. We have been blessed with many new families to our congregation and this is a chance to list them in our directory. If you have any changes with addresses, telephone numbers or cell numbers please make these changes, or add your information if it is not listed, there is a blank page in the back.

I have put a copy of our directory on the back table for your review. Please read over it and make any changes necessary so all information is correct. If you do not want to be listed just cross off your information and I will take it out of the directory. If you have any questions please ask Elsie.
