# SERMON NOTES

The children's program at Elk Grove Church of Christ is a door to the church for many visitors. I believe it to be important for growing the church. I know there are others who feel the value of the children having an environment that invites growth. We need all of you. Dana has been coordinating the children's program for quite some time, but she currently has other responsibilities that need her attention. We appreciate all of her work on this important program. I've been teaching Sunday mornings every other quarter and need to let others take responsibility for the littlest children's class.

If we all work together we will have a successful program for welcoming visitors who have children and supporting church growth. We need volunteers for:

Volunteers Still Needed:

## **1) Organizer of teachers** (Sunday school and children's worship)

Teachers

**2) Children's worship:** almost no preparation required. You just set up a video for kids to watch. Providing snacks are optional. So far 3 have signed up. The more people we have sign up, the fewer times we'll be scheduled to cover the class.

**3) A: Sunday school (13-weeks):** nursery - 2nd grade - requires an assistant and teacher. The material provides more than enough activities for the time allotted. You'll probably want to provide snacks, since the kids are used to it. The assistant does not need to prepare ahead of time. Two pairs have signed up to teach which takes care of 1/2 the year! We still need more sign-ups!

**B:** 3rd grade - 6th grade

**C:** YAC pre teen class

**D:** teen class

## **4) Wed. Evening Classes**

nursery - ?

Thank You
